

Hairdressing Apprenticeship

Apprenticeship

A progression route for Level 2 hairdressers wanting to progress and further their existing hairdressing skills in advanced techniques as an apprentice within the hairdressing industry. The great thing about being an apprentice is that you will also be earning money at the same time!

You will train in one of our industry standard salons, work in a realistic environment and use the latest equipment, machinery and products within the industry. Our courses will put you on the road to a great future; we have developed our qualifications in partnership with industry professionals to ensure the knowledge you gain is not only relevant and current.

Throughout your studies you will learn by completing practical activities and assessments based on professional real-life scenarios in our commercial training salons.
