

Introduction to Horticulture for Wellbeing

Adult

This course is delivered at CROP Gardens with the NHS team in Plymouth.

On this course you will be able to learn and develop horticultural skills and knowledge with the guidance of the tutor and team. There are various plots and poly-tunnels and you will have the opportunity to plant, propagate and grow a variety of plants and produce.

The tutor will give you guidance to achieve your goals.

The Road to Wellbeing courses are relaxed and informal, designed to support your mental health and wellbeing. By building self-confidence and self-esteem, these classes offer a positive and welcoming environment. They're also a great way to meet new people and make friends. We offer courses suited to all skill levels and abilities.

Duration - 8-12 weeks – 1 day per week.

You will be expected to attend each week.
