

# Introduction to Photography for Wellbeing

Adult

This course is delivered in the Art Block at our St Austell campus.

On this course you will learn how to improve the composition of your photographs, and how to use different camera settings to give more creative control.

No previous experience is necessary.

All sessions aim to encourage you to look for opportunities to create interesting images, and therefore give a specific focus to thinking and being in the moment. Taking time out from past worries or future anxieties. (Loan cameras available or bring your own).

The tutor will give you guidance to achieve your goals which you can adapt to make your own creations by considering design, form and function.

The Road to Wellbeing courses are relaxed and informal, enabling you to improve your wellbeing and mental health, building your self-confidence and self-esteem. Attending our classes is a great way of meeting new people, making friends and developing personal and vocational skills.

Duration - 8-12 weeks - 1 day per week.

You will be expected to attend each session.
