

Roofing Apprenticeship

Apprenticeship

The Level 2 Apprenticeship in Roofing has been designed and developed by industry experts to cover a range of core skills and roofing activities.

Dependent upon the Occupational Specialism that you follow, you will learn a range of new skills such the following:

The installation of plain tiles, interlocking tiles, natural and fibre-cement slates.

Fitting of underlay, battens, lead flashings, roof windows and components.

The installation of verges, hips, ridges and valleys, substrates and membranes.
