

AAT Level 3 Diploma in Accounting (Online)

Adult

Employer Training

The Level 3 Diploma in Accounting offers technical training in accounting and is ideal for anyone wishing to pursue a career in accountancy or finance. The purpose of the Level 3 Diploma in Accounting is to provide students with the specialist knowledge and skills required to progress to employment in an accounting or finance role, or to further study in accountancy and finance.

This qualification is a progression route for students who have achieved the Level 2 Certificate in Accounting. It's also suitable for those who have already started their journey studying a related subject and are looking to develop their skills in accounting, or for those who have already started working in finance and who have a need and desire to attain formal recognition of their skills.

Although we welcome applications from Cornwall and other non-devolved areas of the UK, learners **MUST** attend either our Camborne or St Austell campus in person to sit their exams with an invigilator present.
