

Certificate in the Principles of Cyber Security Level 2 (Online) (NCFE)

Adult

The purpose of the Level 2 Certificate in Cyber Security is to provide learners with sector awareness. It will do this by introducing the knowledge and understanding in roles and issues relating to Cyber Security.

The secondary purpose is to act as a stepping stone that will lead learners into studying Cyber Security at a higher level.

This course will support individuals looking to gain a greater understanding or build upon their existing knowledge of Cyber Security issues.

This will likely be with a view to studying the subject at a higher level and/or seeking employment in a Cyber Security related role.

Bursaries availableThe Cornwall College Group (TCCG) is committed to helping as many adults as possible to access our courses and we may be able to offer support with essential equipment such as a laptop to complete your online course. Students would need to meet the criteria for ASF funding and for bursary to be eligible for a laptop. The laptop would only be loaned for the duration of your studies, so you would not be allowed to keep it afterwards. All laptops would need to be returned to Cornwall College St Austell after completion of your course. (Cornwall College St Austell, Tregonissey Road, St Austell, Cornwall, PL25 4D).Below is a link to our bursaries and funding page for adults including the link to apply for a bursary:Funding Support and College Bursaries for Adult Learners
