

English for Speakers of Other Languages

Adult

Our English for Speakers of Other Languages (ESOL) qualifications are offered at a number of levels, from beginner up to advanced.

These courses are made up of three units - Reading, Writing, and Speaking and Listening. Our teachers are fully qualified and are experienced in teaching English as a second language.

These qualifications are intended for anyone based in the UK needing to improve their understanding and use of written or spoken English. This can help to get on at work (or get a job), prepare for further study, access public services, or just to be more confident in an English-speaking environment.

We offer these courses from Entry Level 1 to Level 2.

Some courses may be FREE .
